Chairman's Message

This is my first message to you as Chairman of Tattersall's Club, and I would like to first thank you, on behalf of the Committee and myself, for your confidence in electing us to your executive body.

I would personally like to say at this time how greatly honoured I am to have been elected unopposed as Chairman.

I assure you it is an important office which I do not accept lightly, for I am fully conscious of the responsibility it carries with it, both to you all as members and to the world at large, in upholding the Club's dignity, prestige, and reputation.

However, it is one which I am glad indeed to fill, for the Chairmanship of no other club in this country is more highly respected than that of Tattersall's.

This has been brought about by the extremely high calibre of those who have preceded me in the Chair, and to whose efforts and loyalty the Club owes much of the reputation it enjoys today.

These are hard men to follow, particularly your recently retired Chairman, John Hickey, to whom, together with retired Committeemen Bill Sellen and George Chiene, I would like to say, on your behalf, a heartfelt "thank you" for their years of effort and devotion to the affairs of Tattersall's. They have served us all unselfishly and well, and deserve our sincere gratitude.

As newly elected Chairman, I ask, on behalf of your Committee and myself, for your full support. In return, I assure you that we will do our utmost to carry Tattersall's from strength to strength for that part of the future for which its destinies are entrusted to us.

JOE JOEL TO ATTEND INTERNATIONAL CONFERENCE

Club member Joe Joel, well known in Sydney business circles as Managing Director of Screen Gems Pty. Ltd., television subsidiary of Columbia Pictures, is to attend an international conference in June. This is to be held at Columbia's headquarters in New York, and will commence on the 25th of the month. Mrs. Joel is accompanying Joe on this trip and, before attending the conference, Joe and she will fly direct from here to Hollywood. The purpose of this visit is to enable Joe to view various new season's T.V. productions.

Members wish you and Mrs. Joel a happy and profitable trip, Joe, and will live in hopes that you may pick up some new and exciting T.V. programmes for Australian channels.

BILL SELLEN, Jr., COMPLETES SUCCESSFUL SAILING SEASON

Keen sailor Bill Sellen, Jr., who sails in company with fellow Club member Ken Brooks, has just completed a successful season. Bill sails on the boat *Springtide* as forward hand, which craft finished the season with three firsts, a second, and a third. The *Springtide* is an H28 Class yacht, which, to we non-sailors, means that it's one of the larger type. Congratulations, Bill, and good luck for next season.

PAT PORTER IN LONDON

Two Club members, Alf Collins and Tom Farrar, both received postcards from Pat Porter last month. Both were postmarked London, where Pat was spending part of his trip at the time of writing, although by the time this paragraph gets into print Pat will be not very far away from our own shores again.

Of American racing Pat says: "Went to Acqueduct in New York, where everything was too big. Not like our racing at home, which is more friendly and personal." Pat also went on to say that he had seen quite a few Sydney faces in London, apropos of which he felt it was amazing how small the world is growing these days, what with fast air travel and so many Australians going abroad.

In closing, Pat said, "Hope you all had a good time at the May Tattersall's Meeting. Will be pleased to be back in June and have a quick one with my friends again."

Your friends will be glad to see you back again, too, Pat.

CLIFF GRAVES BACK FROM HOLIDAYS

It was nice to see Cliff Graves back in the Club during the latter part of May after his well-earned three weeks' annual leave. Cliff looked fit, hale and hearty after his rest, and was once again very much in evidence on settling days, with what appeared to be a winning smile on his face.

A. BASSER'S HUGE DONATION TO HEART APPEAL

Well-known Club member philanthropist Adolph Basser last month demonstrated his unselfish generosity when he donated the huge sum of £25,000 to the Heart Appeal. Adolph, who was on a world tour, made the donation from overseas.

The picture below shows Adolph on the deck quoits court on the *Orsova*, the ship on which he travelled overseas.

RUSS WILLIAMS BECOMES GRANDFATHER

One of the most excited and self-satisfied members at the Club last month was Russ Williams, who became a grandfather for the first time. One member said Russ was so carried away with his once-removed achievement that you'd think he'd invented grandfathership. Anyway, Russ, hearty congratulations from your fellow Club members, who wish you many more grandchildren.

BREEDER'S PLATE POSSIBLE FIRST START FOR DAN CALMAN'S CELTIC FOX

Certainly one of the most enthusiastic new owners around the Club these days is ex-C.I.B. Chief Dan Calman. Readers will recall that Dan went to the last Yearling Sales in New Zealand in company with Maurice McCarten, whom Dan had picked out a horse for him. The result of the purchase was the colt *Celtic Fox*, who is by *Pride of Kildare* out of *Meadow Mist*. The colt was bred at Blandford Lodge in New Zealand.

If the success of this pair's progeny is any guide to the future of *Celtic Fox*, he should do very well indeed, for last Melbourne Cup winner, *Hi Jinx*, was of the same breeding. The colt is in training with Maurice McCarten at the moment, who feels that his possible first start will be in the Breeder's Plate. In any case, Dan is feeling most enthusiastic about his prospects.

And, talking of Dan Calman, we wonder how many members know that he is one of the very few policemen who have virtually never served in uniform. At the dawn of his career he was specially selected as an outstanding student for training as a detective and, from that start, went on to become one of our leading investigators. He did, in fact, serve three days in uniform, and that was during the Queen's visit to this country. Dan was an Inspector at the time, and for the various ceremonials they required rather more uniformed officers of this rank than were available. So Dan had a beautifully tailored "ensemble" made to order, wore it for three days, and it has been hanging in the wardrobe ever since.

"RED" TIDMARSH RESPONDING TO TREATMENT

Latest report from Committeeman Les Tidmarsh on the progress of his very popular wife's treatment in Switzerland is that she is now responding much better to therapy. Les has high hopes that "Red" will continue to improve steadily and enjoy a complete cure. Your many friends in the Club wish "Red" every success, Les, and hope it won't be too long before we see her back in Australia, her own healthy self again.

NEW MEMBER WINS JAMES BARNES

By far one of the most excited men on the racecourse at Tattersall's Club race meeting in May was Keith Urquhart. The reason, of course, was that Keith's Winchester got up to win in the race of the day, the James Barnes Plate. At the time Keith was not a member of Tattersall's, but was due to come into the Club in a few days' time, so perhaps his pending admission to Tattersall's brought him luck.

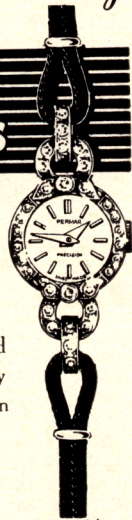

Hearty congratulations on your horse's spectacular win, and also a very hearty welcome to membership of the Club. We sincerely hope that it brings you lots of racing luck in the future.

GUNDAGAI RACE MEETING: GREAT SUCCESS

Of the recent Gold Cup meeting at Gundagai, the Gundagai "Independent" had this to say:

"The success of this week's Gold Cup meeting, another triumph in the splendid history of the Gundagai Racing Club, was brought about by the untiring effort and splendid organisation of the Gundagai Racing Club Committee. This Committee is acknowledged to be one of the best and keenest ever to control local racing, and whilst they continue in office racing is certain to be very popular in Gundagai."

Well-known Tattersall's Club member Bob Beatty is a very active member of the Gundagai Committee, and did a great deal to bring about the success of the recent meeting. Your many friends in the Club congratulate you and your fellow Committeemen, Bob, on a splendid effort, and wish your Club every success in the future.

Incidentally, the Gold Cup was won by Lone Attack, a win which was a triumph for popular veteran trainer Mr. Tom Crowe, who, despite his 83 years, continues to be one of the most astute trainers in the S.D.R.A. racing circuit.

The Gold Cup winner is owned by Mr. R. Luff, of Yass.

SIDELIGHTS ON CLUB HEART NIGHT

Here are a couple of sidelights from our Club night, held on the 1st June in aid of the Heart Appeal, which we thought you might like to hear.

The first one concerns Charlie Duncan, who contributed right royally to the various activities on the first floor, particularly Bill Sellen's "chocolate" wheel. So lavish (and we do mean lavish) was Charlie in his expenditure that he could not fail to come out of the evening with a considerable amount of merchandise. So much did he have, in fact, that one cab could barely take it, and it filled five cartons to the brim, plus overs. Included in the "bag" were no less than five hams.

Well, Charlie's generous nature being what it is, 24 hours later he had given everything away to friends and neighbours except one lone ham. Charlie lives in a flat and, in trying to cook this one remaining item under the adverse conditions associated with flat life, we very much regret to report that it was "boiled to boot leather."

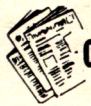

The second item concerns Tom Farrar, who, despite his pre-occupation with the Crown and Anchor table which he ran from go to whoa on the night, managed to have a flutter or two on some of the other games. With the Farrar luck holding as usual, up came his name as winner of the £80 to £5 raffle. As soon as his name was announced, Tom immediately donated £50 of his winnings to the appeal. It wasn't until later that he realized that earlier in the day he had agreed to go halves with Geoff Belot in the ticket, and that he was down £10 on the transaction.

FISH STORY

Whenever men gather together in large groups there is always a fish story or two floating around. Latest one is from Bruce Kennedy who, as all who know him appreciate, is keen on this sport.

Like most of this ilk, Bruce has an ambition to catch an extra large jewfish, a feat which again, like most of his ilk, he has not yet accomplished. His hopes rose to high heaven the other day, however, when he was fishing in a recognised jewfish hole down at Pittwater. At the time something weighty took his bait on the run in the manner of big jewfish everywhere, and Bruce spent the next hour happily playing his fish. However, when he finally brought it to boat he discovered that all he had was a ray, 60 or 70 lb., but still only a ray.

Bad luck, Bruce, but keep fishing, it's ambitions like yours that keep the tackle and bait sellers in business.

REG ALDERSON RECOVERS

It was a real pleasure to see Club habitue Reg Alderson back in circulation and ensconced in his favourite corner last month. Members will recall that Reg has been suffering from an illness recently, and his presence has been sadly missed around the first floor.

Good health for the future, Reg.

COOGEE GOLF CLUB MAY HAVE ANNUAL COMPETITION WITH BRISBANE TATTERSALL'S

Most members know Coogee Golf Club. It is, in fact, the oldest *social* golf club in Sydney, having been in existence for no less than 31 years, and it now comprises at least 25 per cent. of Tattersall's members. Our Committeeman, Les Tidmarsh, who is also a Committeeman of Coogee Golf Club, tells us they were recently approached by Brisbane Tattersall's, who want to stage an annual competitive event. Nothing final has been arranged as yet, but, as soon as both parties find out if it is possible to work anything out, we will let members know through this column.

"Telling the World" makes

Stylish James Barnes win by new stayer

Tattersall's Club's most important winter distance event, the James Barnes Plate, was won on Saturday, May 13, by new Club member Mr. Charles K. Urquhart, who literally "tells the world" when his horse has a winning chance.

He did not miss out on this occasion when Winchester carried his white, orange cap livery to victory in an exciting half-head battle with El Rocco.

Another exciting victory on the day was Fine and Dandy's win in the Flying Handicap. This was a meritorious performance as he conceded what was apparently a hopeless advantage to his rivals on a soft track.

Excellent racing generally made Tattersall's May meeting another of the Club's successful race days, and many Club member punters finished the meeting with "plus" race books.

Winchester notched his 12th success on Saturday, so Mr. Urquhart has done his Club and other friends a formidable sequence of good turns, most often at profitable betting odds.

Winchester is one of Sydney's most improved middle-distance performers, and Saturday's success has earned the prospect of a run in the £10,000 Doomben Cup in Brisbane in July. At one period of his racing career he was regarded as purely a sprinter, and nine of his wins were at six or seven furlongs.

But his trainer, Fred Allsop, who is also a popular Tattersall's Club member of 11 years standing, conceived the idea a few months ago that he would stay, although his furthest success of the past had been in a Warwick Farm mile novice. So he nominated him for the mile and a quarter final handicap at the A.J.C. Spring carnival at Easter.

Not many considered the distance within his compass, including most bookmakers, and in early betting he touched 12/1. But Mr. Urquhart had been busy telling friends that he would prove himself a stayer, and the price dropped quickly to 8/1. He proved his trainer right, and

managed the extra distance stylishly to score by half a length from Johnno in smart time, 2.3, for the mile and a quarter. There followed a second to Gene San at Rosehill a fortnight later.

With good, seasoned condition behind him, he was ready for the sterner battle against what was considered a class field for the James Barnes. The track was slightly heavy but he battled the 10 furlongs out to the bitter end to gain the narrow photo verdict from El Rocco. The time, 2.4-3/10 was excellent for the soft track. Altogether the form suggests that even greater distances might come within his scope.

Winchester is one of the last among the stock of Italian stallion, Brueghel. Brueghel was a classic performer in Italy winning from five furlongs to a mile and seven furlongs, so that's where the Winchester stamina comes from. He is a big handsome and powerful horse, and Mr. Urquhart has got a lot of pleasure out of his racing. Brueghel was a prolific sire of winners, and earnings of his stock reached almost £350,000.

Another performance of note recorded at Tattersall's Club's May meeting was the triumph of

Fine and Dandy with 9.2 in the Flying Handicap after conceding what looked like a hopeless advantage to rivals at the end of a sprint on a soft track. He had a short rest since his Doncaster triumph on April 1, and he looked robust when saddled up.

But trainer Harry Plant had him fit, he was backed to favoritism, and he did what was expected of him by the stable. Fine and Dandy was Australia's best two-year-old with seven wins two years ago, and his Doncaster success plus Saturday's brilliant effort stamps him as Australia's most formidable sprinter of the year.

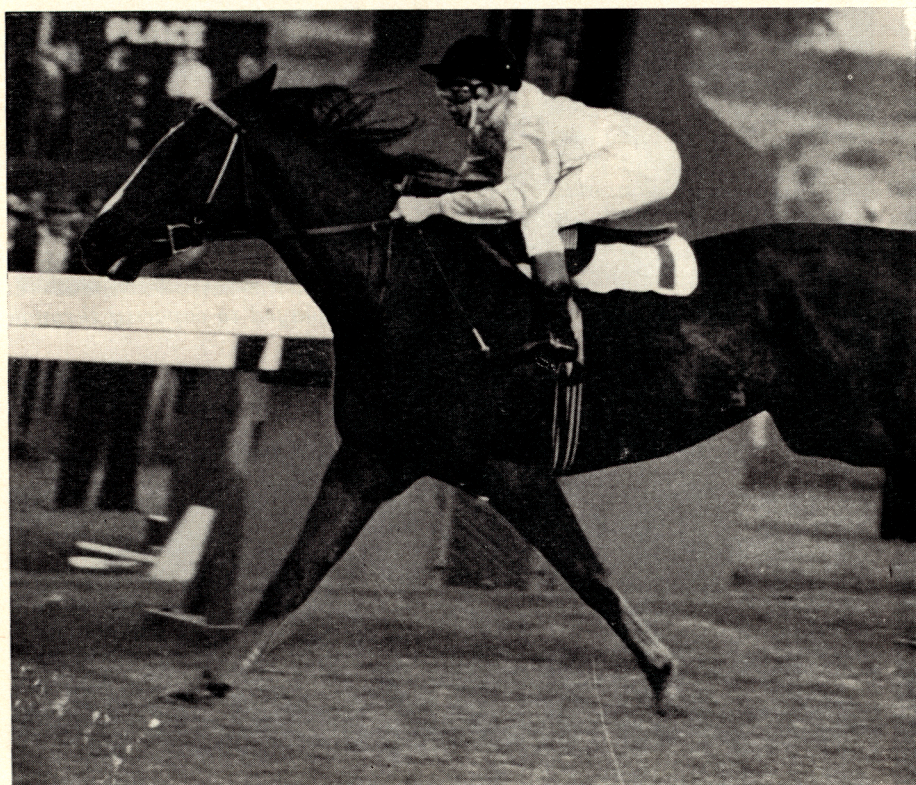

It looks as if his owners, Messrs W. F. and F. H. Moses can look forward with confidence to winter prospects in the rich Brisbane sprints, the £10,000 Stradbroke seven furlongs at Eagle Farm on June 10, and the Doomben £10,500 seven furlongs less 93 yards on July 1. He has 9.4 top weight for the Stradbroke, and no penalty for his Tattersall's win accrues. He was top weight for Tattersall's race with 9.7 but a 5lb. allowance for stable apprentice, R. Bradley, reduced this to 9.2. The lad did well in getting the best out of such a big, long-striding horse.

Winchester's owner happy

Winchester, stylish winner of the race of the day, the James Barnes Plate, at Tattersall's May meeting, is raced by Mr. K. Urquhart.

Fine and Dandy was popular with punters for the Flying Handicap. They were confident that the class he had clearly demonstrated by previous spectacular performances would come to the fore once again and send him first past the post. He didn't disappoint his supporters.

Fine and Dandy clears away from the opposition in the Flying Handicap.

CLUB RAISES FUNDS FOR *Heart*

£1,100 Club Night Proceeds to National

The evening of June 1 was one of great activity around the first floor when the Club held its "Night of Revelry" in aid of the National Heart Foundation.

Patrons with their ladies and friends, all in party mood, began to arrive around 5.30, and it wasn't long before the function was in full swing.

The atmosphere was very reminiscent of our Christmas week activities, especially on the "Chocolate Wheel," where Bill Sellen and his able assistant, Secretary, Lyal Binns, were in their customary places selling tickets with their usual gusto. The customers were willing, and the click of the wheel brought hams, bottles of whisky, baskets of fruit, and other merchandise to the lucky winners.

Additions, not in evidence at Christmas, however, were the Crown and Anchor board and Esmerelda.

Tom Farrar "presided" over the Crown and Anchor, and Ken Williams took charge of Esmerelda, while Fred Empson did a sterling job acting as "Clerk" for both. Although there were some lucky punters on both games, the "House," as always, came out on top, and the proceeds added considerably to the night's takings.

As is usual at these functions, the ladies gravitated to the poker machines whenever they could find one vacant, and the general noise level was raised somewhat by the crash of silver as every one was played to capacity throughout the night.

All in all it was a splendid evening, a sentiment which was unanimous amongst those who attended, and the contribution it provided to the National Foundation was one of which we at Tattersall's can be proud indeed.

CORRICK OUSTS DEVITT FOR POINT SCORE

From the Swimming Pool comes news of the exciting see saw struggle between Norm Rogers and Syd Kay for the "Native Son" trophy, a first-class performance by Ralph Corrick to win the monthly Point Score, and mounting excitement over the Club Championship to be held in July.

Corrick had to withstand a determined challenge from World Champion, John Devitt, in the last race of the series. Both won heats, but Corrick's lead of three points was sufficient to give him victory when Devitt won a final and Corrick only had to swim third to hold him off.

During the month both Rogers and Kay have taken the lead at various times in the battle for the "Native Son" Trophy, but just before these notes were written Syd collected a final and got to the front by a couple of points.

There are only five more races before the handicap season finishes on 26th June, so it's anybody's bet as to who will be the star boy of the season.

Harry Bate has provided the bad luck story of the month as, after looking like winning the April-May Point Score, he was nudged into third place behind Corrick and Devitt, and then, in the current series, he has just dropped astern of Dave Keating, and may not be able to make up the leeway.

Still, Harry looks a safe bet for a place in the "Native Son" competition, and recently has picked up a lot of points on leaders Kay and Rogers.

The records of Keating and Bate have run on almost parallel lines during the month. First off, they drew together in a Brace Relay to swim second, in the next event both won final divisions, and in the third event both won heats, but

Keating won his final with Syd Kay as partner, whilst Bate and Ken Williams could only gain third place.

There's growing interest in the Club Championship, heats of which will be held on Tuesday, 3rd July, with the final on Thursday, 6th July, racing starting at 1.15 p.m. each day.

Chief rivals for the title will be David Emanuel, the present holder, John Devitt, Carl Phillips, Norm Rogers, Robert Lane, and Allan Ball.

David Emanuel has not swum for some time in Club races, but he is really a tough nut to crack over the two laps, as he showed last year when he beat Bill Kendall, who will almost certainly not be a starter this time after his illness some time ago.

Of course, world champion John Devitt will start favourite, as he is in form, but, as he does not start as well as Emanuel, he has the job ahead of him to win over the short course and laps.

The two have only met once this season, on 14th February, when Devitt stood Emanuel up a second in a final and did not make much impression on his rival

in finishing behind him, though in winning heats Devitt swam 17.4 to Emanuel's 18.6.

Carl Phillips has been swimming well round about 20, whilst Rogers is regularly just over that time.

Anyway, the race for all places should be well worth watching.

It was good to see Geoff Eastment have his second race of the season, and the boys want to know where he has been training, as he tied for first in a heat and broke his handicap time by a second. John Brice was the other dead-heater and, like Geoff, he lost a second, the only two victims during the month.

Haven't seen Nick Shehadie in the Pool recently, but he told the writer that the Manager of the Fijian Rugby Union team had roped him to train with husky boys. Nick says he's going into action with the Barbarians against the Fijians—at any rate, he'd like to.

Best times of the month were:—17.7, 17.9 and 18.1 by John Devitt; 20 by Carl Phillips; 21.7 by Graham Nock; and 22 by John Dexter.

State Selector watches form of Tattersall's players

Tattersall's bowlers morale received a boost last month when Albert Toose, Chairman of the State selectors came along to watch their performances. He stayed for some time and watched several games, so it won't be surprising if one of more of our bowlers are selected for state honours in the near future.

Tattersall's Club bowlers had a good month again, with more than average attendances at Double Bay each Thursday for trophy games.

Trophy winners for 18th May were Frank Geddes, Issie Silk, and Double Bay member Dermot O'Brien. Runners-up were J. Lee, Dr. F. Porter, and V. Kirby.

A nice effort by Issie Silk, who celebrated his 74th birthday on June 4. He is bowling better, and keeping better, and tipping better than ever. Keep it up, Issie, you look good for the century to me.

Visitors for the month included Dr. E. R. Reay from Dunedin, N.Z., a friend of Duncan McFarlane, Ern Mackie, and Colin Walker from Double Bay.

Trophy winners on 25th May were Mel Watson, I. Silk, and P. McGrath.

With visitors Dr. Leay, Bob Plasto, Morrie Cowley, and Dermot O'Brien, there were 40 players present from Double Bay.

Best effort for the month was by a team led by Ken Ranger, Skip; Noel Hough, third; Maurice Watson, second; and Jack Pick, lead; by winning the St. George Jubilee Fours Final.

There were 124 teams competing, so you can judge what a good effort it was to beat such a formidable number of first-class bowlers.

Ken Ranger was seen at his best in the Semi-final. When he left the head on the last end he was six down. He drew the shot with his last bowl to win the game by one shot. In the Final, played in the afternoon, the team was always going comfortably to win by seven shots.

There is no doubt Noel Hough has struck a purple patch of form. Straight from the Jubilee Fours, he went to Gosford for the carnival there, extending over a week commencing on 14th May. He got into the Semi-finals of the Singles Championship, and was beaten in the final of the Pairs by one shot. He was partnered by Double Bay member Bill McKay.

Bill was the bowler who caused a major upset by beating Glynn Bosisto in the first round of the Australian Championships in Adelaide.

It's good to see Dr. Len Greenberg back bowling again. He has not appeared with the Tattersall's boys as yet after his recent illness, but is back bowling with his club, Dover Heights, again. He is

Chairman of State Selectors Albert Toose at Double Bay recently watching our bowlers in action. Albert Toose is sitting next to Ken Ranger on the bench. He certainly must have some of our boys in his sights for future State honours.

in the Semi-finals of the Club Pairs with Henry Joseph, so is getting in a bit of practice on his home greens.

Henry Joseph, by the way, plays in the Semi-final of the Dover Heights Singles

on Sunday, May 28. If he can get through and win the Final, it will be a double for Tattersall's bowlers, as Dr. Basil Williams won the Singles Championship last year.

EXPECTING ANY MAIL?

Your stewards on the front desk do an excellent job. They consider it a part of that job, and also a courtesy, to remember as many members as possible by sight.

But, with two thousand six hundred names on our Club register, they can't do the impossible and remember EVERY one, particularly the newer stewards who haven't been with us long.

For this reason, unless members ask for it, mail often piles up at the desk. This causes inconvenience to members and confusion concerning delivery.

So, if there is any possibility of mail arriving for you, DON'T FORGET TO INQUIRE FOR IT WHEN YOU COME INTO THE CLUB.

In this way you'll avoid inconvenience to yourself and assist the stewards considerably.

Prize Presentation Dinner Climaxes Season

The Handball Club ended the season with a very happy night on Tuesday, May 2. The Committee arranged the Annual Dinner and prize presentations for that night, and I have heard nothing but congratulations all round for their efforts. The "Do" was held in the Club Lounge on the Fourth Floor, and I must say that Tattersall's Club catering staff did a mighty job. The Lounge was tastefully decorated with just that nice touch of floral arrangement which, with the informal table and serving arrangement for food and refreshments, put everybody in a gay mood right from the commencement.

After cocktails, etc., the gentlemen moved into their small groups and the chefs and girls went to work. When every member was feeling in just that mood of mellowness, with cigars and cigarettes glowing, the serious business of the night commenced. Peter Lindsay, our

Secretary, introduced Edwin Penfold as our Chairman, and he could not have made a better choice. Edwin, with his smooth manner and witty stories, had the "boys" in the right frame of mind all through the night.

It would be difficult for me to single out any particular person from the list of those who presented the various prizes. They all spoke well, so I list hereunder the list of the prizes given and the details of their presentation:—

Winner	Runner-up	Competition	Name of Donor	Presented by
G. McGilvray	B. Partridge	1959/60 "A" Grade Champ.	George Goldie	Les Tidmarsh
G. McGilvray	B. Partridge	1960/61 "A" Grade Champ.	George Goldie	Les Tidmarsh

M. Fuller	M. Sernack	1960/61 "B" Grade Champ.	G. McGilvray	Sam Block
J. C. Brice	K. Glass	1959/60 "C" Grade Champ.	B. Partridge	Zade Lazarus
J. V. Comans	Dr. Les Bear	1960/61 "C" Grade Champ.	E. E. Davis	Zade Lazarus
Ralph Davies	E. Comrie Thomson	"Delta" Trophy	A. Basser	A. McCamley
F. L. Bowes	W. Hannan	"Winooka" Trophy	S. Blau & E. Forrest	G. Eastment
Ralph Davies	Ken Glass	"Good Idea" Trophy	A. Browning	P. Lindsay
Max Sernack		Most Improved Player	M. Fuller	M. Fuller

All the runners-up prizes were donated by Arthur McCamley.

I cannot let this opportunity pass without commenting on the "local talent" who added to the enjoyment of the evening. Tom Abernethy, E. Comrie Thomson and John Hession all showed form, also an "anonymous" member of the ladies' staff, who sang beautifully. We were pleased to have Ivan Poland, who

was the guest of Max Sernack. Ivan sang a couple of numbers, the second of which, "The Boxer's Song" from "Carmen Jones," was excellent.

We had other guests, including Harry Davis, Harry Buttel, Johnnie Holmes, and two of the "big" Committee, Les Tidmarsh and Geoff Eastment.

Towards the finish of the presentations our Secretary, Peter Lindsay, addressed the members, pointing out that he had been Secretary for 14 years or more, and felt that it was time he "gave it away" and, although not one member wanted it that way, he did just that, and we immediately appointed Norman Rogers to take over.

I can only say this, that, having worked closely with Peter on this Committee, I could not have worked with a nicer chap. It was never any trouble for him to arrange competitions, handicaps, dinners, umpires, etc., and we, the members of the Handball Club, thank you, Peter, for a job well done.

Norman Rogers now takes over, and I am certain that he, too, will do a good job. You can rely on us to help you, Norman. A pleasing feature of Norman's appointment is that he is going to get "twice as much pay" as Peter Lindsay did. He tells me that he will have his first competition in full swing by the time these notes appear in the magazine.

EARLY GAMES PROVIDE UPSETS

With many of the early round games already played in the Billiards and Snooker competitions, some interesting upsets were provided, and the final outcome in both sections should be full of interest.

Full marks go to newcomer Peter Hawse for his fine performance against experienced Bert Tonks. Peter potted two balls (brown and blue) brilliantly. With the pink to win, the roll beat him, and a difficult snooker was set behind the black, thus leaving both balls on for Bert to win by six points.

Evergreen Larry Howarth notched a very narrow win from E. J. Vandenberg. Larry potted the black to win, but was within a breath of being "in off."

The Boyd Lane versus Tom Farrar billiards match was dourly contested, with Tom favourite in the "home stretch." However, Boyd plugged away to win by seven.

Billiards and Snooker Committeeman George Mousally played miles below his best form, and confident Jack Rogan ran out an easy winner.

New favourite! Phil Wall's effort against Stuart Adams in the Snooker, and his defeat of usually brilliant Jack Chown in their Billiards match, put him well in the running.

Allan Gordon surprised with a slender winning margin over Norm White. Congratulations to the boy from Cronulla.

BIGGEST BREAK THIS YEAR

"The Silent One" (K. D. McD.), in a game against Alec Lash, scored a 68 break—chopping block, indeed!

NOT ENOUGH "COLLATIONS"

For those without the benefit of a classical education, the word "collationes" is roughly translated from the Latin as "contributions," and that is just what we are short of in T.C.M.

As we've pointed out on previous occasions, contributions from a wide range of members are necessary if we are to make our magazine as interesting as possible to as many of our members as possible. If these come from only a regular few, our news tends to be about those few and their friends and acquaintances.

This we do not want to happen, for it limits the field of interest in the personal paragraphs.

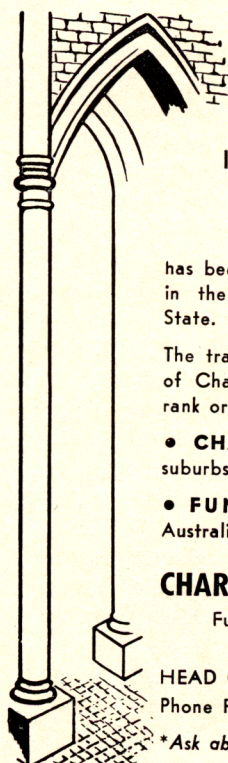

Every day things are happening to your friends which other members would like to hear about. They are getting married, becoming fathers or grandfathers, having anniversaries, excelling in their sports or hobbies, getting promotions, going on trips, entertaining important people in the Club, and a hundred other things.

For their friends to read about these things in T.C.M. is of interest, and it gives the member in question and his family a "lift" to see that his fellow members are interested enough in his activities to report them and have them printed in the Club magazine, a large part of which is set aside for just this purpose.

So what about it, members? Can we have a paragraph or two from you from time to time?

You don't have to write it out fully. All I need, as the Editor of your Club publication, is the "bare bones" of the story, which you can leave at the front desk in my name or put into Box 1 on the first floor; pop it into an envelope and post it if you are an out-of-town member (we in the city like to hear of your doings, too, you know).

So send "collationes" along; we'll be pleased to print them.
